QUAYLE ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on January 2, 2002 has been entered.
2. The amendment filed October 18, 2002 has been entered. It is noted that in view of the amendment practice under 37 CFR 1.121 which became effective for all amendments on March 1, 2001, and due to the limited amount of examining time per application, if the amendment contains changes to existing language that requires a marked-up version showing those changes, the Examiner is relying upon the marked-up version(s) for examination of the application. It is applicant's responsibility to ensure that the clean version(s) is (are) the same as the marked-up version(s). It is further noted that the clean version(s) is (are) considered to be the Official version(s).

In claim 56, line 5, --operably connected to the first table and-- should be inserted after “second table” or the like for clarity; line 11 should be changed to read --support surface to a work support side of the plane when in the unlocked position to obstruct the use of the table saw.-- or the like for clarity.

Appropriate correction is required.

Allowable Subject Matter

4. Claims 1, 5-11 and 56 are allowable over the prior art of record.
